

## RENO RODEO 2008: CONTESTANT PARKING

Contestants enter the grounds at Gate 4 on Sutro Street. The parking in the North-East Parking lot is for vehicles with or without trailers. The parking lot adjacent the barns, the East Parking Lot, is only for vehicles with trailers attached. Vehicles without trailers will not be allowed to enter the East Parking Lot. Reno Rodeo will have golf carts circulating at all times to assist you with transportation into the East Parking Lot. The **EXIT** for vehicles with trailers is Gate 6. The **EXIT** for vehicles without trailers is Gate 3. Unfortunately, nothing can stay on the grounds overnight. Free overnight parking is available at the Pembroke Drive Lot.
